NEWS RELEASE

American College of Healthcare Executives

The American College of Healthcare Executives is an international professional society of more than 30,000 healthcare executives who lead hospitals, healthcare systems and other healthcare organizations. ACHE is known for its prestigious credentialing and educational programs and its annual Congress on Healthcare Leadership, which draws more than 4,500 participants each year. ACHE also is known for its journals, the *Journal of Healthcare Management* and *Frontiers of Health Services Management*, and its magazine, *Healthcare Executive*, as well as ground-breaking research and career development and public policy programs. ACHE's publishing division, Health Administration Press, is one of the largest publishers of books and journals on all aspects of health services management in addition to textbooks for use in college and university courses. Through such efforts, ACHE works toward its goal of being the premier professional society for healthcare leaders by providing exceptional value to its members.
