

## ACHE Membership Talking Points—condensed version

### Target audience: potential members

The American College of Healthcare Executives (ACHE) is the premier professional society for healthcare executives dedicated to improving healthcare delivery. Membership in ACHE allows you to:

- **Expand your professional network** with access to more than 30,000 healthcare leaders through mentoring opportunities, local chapter participation, social networking, and ACHE seminars and meetings.
- **Increase your marketability and move your career to the next level** with the help of ACHE's Healthcare Executive Career Resource Center, Job and Resume Bank, assessments and other career resources.
- **Enhance your leadership skills** with access to timely publications, specialized training and top-notch educational programs, including the annual Congress on Healthcare Leadership, which draws more than 4,000 participants each year.
- **Show your commitment to excellence in healthcare management** by earning the FACHE credential.
- **Strengthen your organization's ethical culture** using ACHE's complete toolkit including the *Code of Ethics*, Ethical Policy Statements and Ethics Self-Assessment.

---

### ELEVATOR SPEECH

ACHE is the premier professional society dedicated to helping leaders excel in the healthcare management field by providing educational and career development resources on a national level and locally through its chapters. Members enjoy:

- Top-notch educational offerings, including the annual Congress on Healthcare Leadership—one of the largest gatherings of healthcare leaders
- A full spectrum of career management resources through ACHE's Healthcare Executive Career Resource Center
- A professional network and an affiliate directory of more than 30,000 executives
- The distinction of board certification in healthcare management by earning the FACHE® credential

## **ACHE Membership Talking Points—condensed version**

### **Target audience: Trustees (or Senior-level executives)**

The American College of Healthcare Executives is the premier international professional society for those of us who lead hospitals, health systems and other healthcare organizations. A large segment of our members are C-suite executives.

ACHE is dedicated to helping its members focus on their professional development and improve the field of healthcare management.

Membership gives you the opportunity to:

- Be among leaders committed to lifelong learning and excellence in healthcare management
- Grow professionally and enjoy greater career satisfaction
- Share ideas and network with your peers
- Contribute to your field and give back to your profession
- Earn ACHE's FACHE<sup>®</sup> credential—signifying board certification in healthcare management
- Stay current on important issues and best practices
