| Learning Objectives | 113 |
| Government's Role in Healthcare IM/IT | 114 |
| Health Insurance Portability and Accountability Act | 118 |
| Healthcare IM/IT Leadership Roles | 124 |
| Summary | 127 |
| Web Resources | 128 |
| Discussion Questions | 129 |

PART II Blocking and Tackling

| | |
|--|------------|
| 6 IM/IT Architecture and Infrastructure | 135 |
| Learning Objectives | 135 |
| Computer Hardware | 136 |
| Computer Software | 141 |
| Networking and Telecommunications | 146 |
| Network Components | 152 |
| Network Topologies | 155 |
| Electronic Data Interchange | 159 |

| | |
|--|------------|
| Wireless Communication | 159 |
| Communicating via the Internet | 161 |
| Summary | 164 |
| Web Resources | 165 |
| Discussion Questions | 165 |
| 7 IM/IT Service Management | 169 |
| Learning Objectives | 169 |
| Why IM/IT Service Management Matters | 170 |
| The Information Technology Infrastructure Library | 174 |
| IM/IT Service Support | 176 |
| IM/IT Service Delivery | 186 |
| The Continued Evolution of the ITIL Service Management Practices | 193 |
| Summary | 194 |
| Web Resources | 195 |
| Discussion Questions | 195 |

PART III Achieving Strategic Competitive Advantage

| | |
|--|------------|
| 8 Applications | 201 |
| Learning Objectives | 201 |
| Electronic Health Records | 202 |
| Clinical Information Systems | 205 |
| Management/Administrative and Financial Systems | 211 |
| Information Systems for Nonhospital Healthcare Organizations | 220 |
| Other Information System Applications in Healthcare | 222 |
| Summary | 227 |
| Web Resources | 228 |
| Discussion Questions | 229 |
| 9 The Knowledge-Enabled Organization | 233 |
| Learning Objectives | 233 |
| Knowledge Management | 234 |
| Building the Knowledge-Enabled Healthcare Organization | 234 |
| Knowledge-Enabled Workflows | 235 |
| Excellence in Data Warehousing, Data Mining, and Analytics | 235 |
| Summary | 238 |

| | |
|---------------------------------|-----|
| Web Resources | 239 |
| Discussion Questions | 239 |
| 10 IM/IT Value | 241 |
| Learning Objectives | 241 |
| Systems Challenges | 243 |
| Evaluation Problem | 244 |
| Value Realization | 251 |
| IM/IT Value Findings | 257 |
| Summary | 259 |
| Web Resources | 261 |
| Discussion Questions | 261 |
| Glossary of Technical Terms | 265 |
| Index | 277 |
| About the Authors | 287 |
