# ACHE's Chapter Management and Awards Program

The purpose of ACHE's Chapter Management and Awards Program is to ensure the delivery of high-quality services to ACHE affiliates and other healthcare executives at the local level. ACHE designed this program to provide chapter performance incentives and acknowledge outstanding accomplishments based on objectively measured results.

The program's goals are as follows:

- Create a system to objectively compare chapter performance and manage current and future success based on a common set of indicators. This management system will identify chapters that achieve superior results so that best practices can be shared with other chapters.
- Provide well-deserved recognition to top-performing chapters. All recognition will be based on measurable outcomes of chapter performance. Chapters will be recognized for annual performance as well as for sustained performance over time. By providing this recognition, ACHE will reinforce the added value of chapter membership to affiliates.

## Is My Chapter Eligible to Be Recognized?

All chapters—provisional and fully chartered—are asked to report their successes for the year. Upon submitting the required reports to ACHE, all fully chartered chapters will be eligible for one of the following awards:

Awards	Criteria
Award of Chapter Merit	Awarded to all chapters that meet <b>one</b> of the four performance standards.
Award of Chapter Distinction	Awarded to all chapters that meet <b>two</b> of the four performance standards.
Award for Chapter Excellence	Awarded to all chapters that meet <b>three</b> of the four performance standards.
Board of Governors Award	Awarded to all chapters that meet <b>all four</b> of the performance standards.
Award for Sustained Chapter Excellence	Awarded to all chapters that continue to meet or exceed all four performance standards for a continuous four years.

## How Do Fully Chartered Chapters Qualify for This Award?

To receive one of the 2011 Chapter Management Awards, fully chartered chapters must reach levels equal to or exceeding the following 2010 performance standards:

- **Education and Networking Performance.** This measure is a simple calculation of indexed attendee hours, which are programming hours multiplied by the number of attendees for each event divided by total chapter membership at the beginning of the current year.  
*Chapters must provide at least 9 hours of chapter event programming per chapter member.\**
- **Net Membership Growth.** Net membership growth is measured by the percentage difference between the total number of ACHE-affiliated chapter members in all membership categories at the beginning of the year and at the end of the year.  
*Chapters must have a net membership growth of 9.8 percent.\**
- **Level of Member Satisfaction.** Each chapter must have a top-ranking level of member satisfaction.  
*Chapters must receive 7.6 or higher on a 10-point scale in chapter member satisfaction.\**
- **Advancement of Eligible Members.** Advancement of eligible chapter members is measured by the percentage of the eligible pool of Members affiliated with the chapter who advance to Fellow or pass the Board of Governors Exam each year.  
*A chapter must advance a number greater than or equal to 12.1 percent of the chapter members eligible to advance at the beginning of the year.\**

There is no limit to how many chapters are recognized each year.

**\*Performance standards change each year and are based on the previous year's performance of all chapters.**
