Reaching your community today. Innovating the way cancer care is delivered tomorrow.

*In development. Not all products are commercially available at this time.

How can we work together to change the future of cancer care?
Collaboration in Practice

• Patient support platforms to assist adherence
• Digital outreach solutions
• Expertise to build technology infrastructure to support patients and providers

Creating the Future Together

Cologuard® Patient Navigation Program

Email, Phone Call or Text

Collection and Return Reminders

Customized Patient Support

How can we work together to change the future of cancer care?
AUTOMATE EXISTING INVESTMENTS

- A team of HIT experts to provide optimizations with the goal of reducing provider and staff burden
- Interfaces to automate ordering and resulting
- Gaps and needs identification through workflow assessments

OPTIMIZE SYSTEM WORKFLOWS

BEFORE: FIND the patient
AFTER: ENGAGE the patient
DURING: REMIND the patient

CREATING THE FUTURE TOGETHER

IMPROVE PATIENT EXPERIENCE
OPTIMIZE SYSTEM WORKFLOWS
ASSESS FINANCIAL IMPACT
CLOSE DISPARITY GAPS

How can we work together to change the future of cancer care?
ASSESS FINANCIAL IMPACT THROUGH EARLIER ANSWERS AND PERSONALIZED THERAPY

- Estimating impact of detecting cancer in earlier stages
- Real-world evidence generation with our health economics and outcomes research
- Budget impact modeling to understand financial implications of choices

Financial Impact Modeling

Test Interval for Quality Credit $XX X Cost of Screening and Adherence Program $XXX = Total Cost for Quality Credit $XXX

CLOSE DISPARITY GAPS

HEALTH EQUITY COLLABORATIONS

• Population insights to help increase adherence and support better treatment decisions

• Technology optimization data and tools to impact patient engagements

• Case studies on improving care in vulnerable populations

CREATING THE FUTURE TOGETHER

Patient Demographic Tool

UNDERSTANDING YOUR PATIENT POPULATION
Health Systems have a unique opportunity to act. Exact Sciences has data to support you.

Exact Sciences can provide additional insights and population health data about your Cologuard® patients who remain unscreened for CRC.

What information do you think is most relevant to understanding who your unscreened patients are?

- Age
- Race/Ethnicity
- Language
- Rural/Urban
- Insurance
- Education
- Mental Status
- Income
- Preferred Media

How can we work together to change the future of cancer care?
EVOLVING CANCER CARE TO MEET YOUR HEALTH SYSTEM’S NEEDS

Exact Sciences is the oncology diagnostic company that helps enable you to drive better clinical and financial outcomes for:

• Patients
• Providers

By implementing specific solutions that leverage:

• Technology
• Personalized data
• Actionable insights
