Your Impact

Through generous donor contributions, the Fund provided education programs and professional development opportunities to prepare healthcare leaders for the challenging healthcare environment.

Exploring Complex Ethical Issues: The 2015 ethics program, “An Ethical Basis For Managing and Making Important Choices,” addressed the ethical framework used when making decisions about patients and resources. Participants explored the ethical issues involved in resource allocation and decision-making.

Innovation: “Thriving in Today’s Healthcare Marketplace: Encouraging Innovation,” explored the need for healthcare leaders to be innovative in order to stay competitive and improve patient outcomes. The program featured speakers who shared their experiences and strategies for innovating in healthcare.
