

For Immediate Release

Charles D. Stokes, FACHE, Installed as ACHE Chairman

CHICAGO, March 25, 2017—Charles D. "Chuck" Stokes, FACHE, executive vice president and COO, Memorial Hermann Health System, Houston, has assumed the office of Chairman of the American College of Healthcare Executives. Stokes was installed today at the Council of Regents Meeting preceding ACHE's 60th Congress on Healthcare Leadership. Stokes received the gavel from ACHE's outgoing Chairman, Edward H. Lamb, FACHE, president and CEO, Mount Carmel Health System, Columbus, Ohio. As Chairman, Stokes will serve the second part of a three-year term in ACHE's consecutive chairmanship offices: Chairman-Elect, Chairman and Immediate Past Chairman.

Board certified in healthcare management as an ACHE Fellow, Stokes has served for 10 years as an ACHE faculty member at Congress and at other ACHE educational programs. He has served on the ACHE Board of Governors as Governor since 2014.

The **American College of Healthcare Executives** is an international professional society of 40,000 healthcare executives who lead hospitals, healthcare systems and other healthcare organizations. ACHE's mission is to advance our members and healthcare management excellence. ACHE offers its prestigious FACHE® credential, signifying board certification in healthcare management. ACHE's established network of 78 chapters provides access to networking, education and career development at the local level. In addition, ACHE is known for its magazine, *Healthcare Executive*, and its career development and public policy programs. Through such efforts, ACHE works toward its vision of being the preeminent professional society for healthcare executives dedicated to improving health. **The Foundation of the American College of Healthcare Executives** was established to further advance healthcare management excellence through education and research. The Foundation of ACHE is known for its educational programs—including the annual Congress on Healthcare Leadership, which draws more than 4,000 participants—and groundbreaking research. Its publishing division, Health Administration Press, is one of the largest publishers of books and journals on health services management including textbooks for college and university courses.
