

HOUSTON METHODIST ADMINISTRATIVE FELLOWSHIP PROGRAM

The Houston Methodist Administrative Fellowship Program began in 1977 and offers unparalleled opportunities for future health care leaders to gain experience in all aspects of a premier academic medical system. Houston Methodist strives to lead medicine by providing a patient-centered experience. The 18-month program emphasizes learning through rotational exposure to corporate services, an academic medical center and dynamic community hospitals. Individuals develop a comprehensive understanding of a complex health care organization with a strong academic and spiritual mission.
