

## **Promoting Your FACHE Credentials – Sample Social Posts**

### **LinkedIn/Facebook**

After years of hard work, I am excited to share that I have earned my FACHE credential. Thank you to everyone who helped me reach this important career milestone as a healthcare executive. I look forward to continuing to develop my depth of knowledge, connecting with other Fellows and becoming more involved in my community.

### **Twitter**

After years of hard work, I am excited to share that I am now a Fellow of @ACHEConnect. Thank you to everyone who helped me reach this important career milestone as a healthcare executive! #healthcare #healthcareexecutive #FACHE
