LEADERS POSE PURPOSE PREPORT TO Members

Dear Colleagues,

As healthcare leaders, our purpose drives us. It fuels and sustains us in ways that touch many and that shine through in difficult times. It's why we do everything we do for our teams, our patients and our communities.

Looking back on 2022, connecting to our purpose helped us make a profound impact on those we serve. The determination and persistence on display throughout our field as steep challenges—from financial burdens to supply chain snarls to continued workforce shortages—impacted healthcare is simply remarkable.

Confronting daily obstacles with boldness propelled us toward a brighter future for healthcare. For all your efforts, we thank you.

As leaders with a purpose, we are committed to making a difference every day while

we are committed to making a difference every day while standing for ACHE's core values of integrity, lifelong learning, leadership, and diversity and inclusion. That commitment strengthens us as a community of leaders. We are grateful for your dedication to our community, which in 2022 featured:

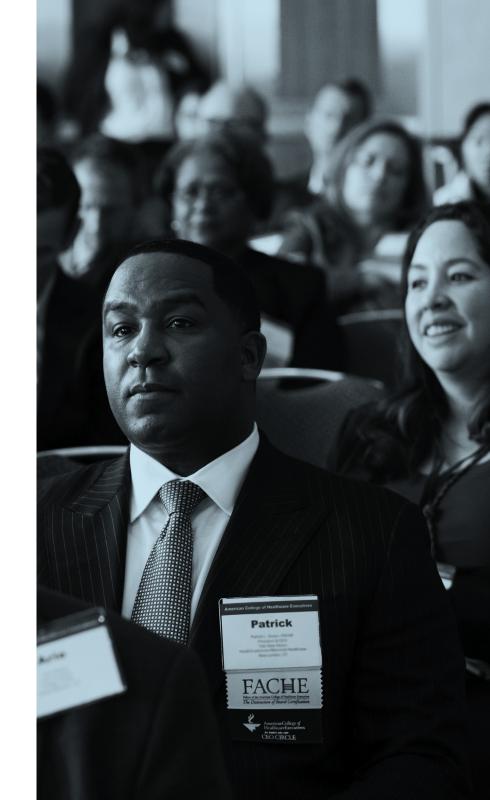

- 48,000 members.
- 706 new Fellows, bringing ACHE's total to 8,503.
- 492 donors, who raised more than \$213,000.
- Nearly 170,000 social media followers.
- Individual engagement that generated more than 8.8 million ACHE webpage views and more than 13,000 visits to our Premier Corporate Partners webpages.
- More than 1,200 events held by our 76 chapters, which drew nearly 63,000 attendees.

As leaders with a purpose, bravely tackling the problems of the present with an eye

bravely tackling the problems of the present with an eye toward the future suggests a promising and more equitable tomorrow for healthcare. By advancing equity, we continue to help our field better reflect and represent the patients and communities you serve. Echoing those efforts, ACHE in 2022:

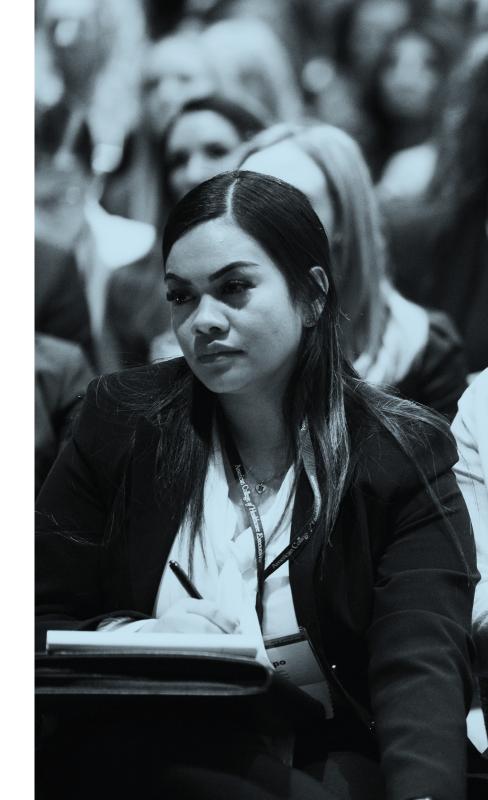

- Named 12 Thomas C. Dolan Executive Diversity Program scholars and 50 Career Accelerator Program scholars as part of the Diversity Program.
- Awarded scholarships to 15 graduate students through the Albert W. Dent and Foster G. McGaw Scholarship programs.
- Collaborated with our diversity partners: the Asian Healthcare Leaders Community, the Institute for Diversity and Health Equity, the LGBTQ+ Healthcare Leaders Community, the National Association of Health Services Executives and the National Association of Latino Healthcare Executives.
- Engaged more than 1,100 members through ACHE's online communities for Asian healthcare leaders, LGBTQ+ healthcare leaders and physician executives.
- Hosted 19 diversity, equity and inclusion sessions at the Congress for Healthcare Leadership.

As leaders with a purpose, we are a community with a commitment and an enthusiasm

we are a community with a commitment and an enthusiasm to learn and grow. In 2022, that drive for continuous improvement inspired us to:

- Hold the first in-person Congress on Healthcare Leadership since 2019, with nearly 4,000 attendees.
- Hold two Virtual Leadership Symposiums totaling more than 2,200 participants.
- Conduct 39 nationally scheduled ACHE programs, including 34 Virtual Face-to-Face programs, three Clusters and two Executive Programs, attracting more than 4,500 attendees.
- Deliver 90,000 ACHE Face-to-Face Education credits.
- Offer 26 free and paid webinars, with more than 20,000 people registered.
- Present 15 Premier Corporate Partner-supported webinars, which were attended by more than 8,000 members.
- Produce 16 *Healthcare Executive* podcast episodes, generating nearly 200,000 plays.

The Board of Governors, Regents and ACHE staff are proud to stand with you, leaders with a purpose who are advancing health in meaningful and lasting ways. The passion, commitment and empathy you show to your patients, your communities and our field strengthens our own purpose, which is to serve you.

Thank you for the opportunity to support you. Through our collective leadership, we can build a bolder and brighter future for healthcare—together.
