The Importance of the Physician as an Advocate, Inside and Outside Your Organization

Join Envision Physician Services for an educational seminar at American College of Healthcare Executives (ACHE) Orlando Cluster

Physicians are in a unique position to provide important insights and useful perspectives that are valuable even outside of the scope of medical practice. Don’t miss this unique opportunity to learn more about the value of physician leaders and how to cultivate them from your medical staff.

Discussion Topics:
- Exploring the need to fulfill professional growth and team leadership skills within an organization
- Implementing strategies to enhance leadership skills
- Recognizing how building the leadership foundation of staff contributes to medical staff and organizational processes
- Discovering how various factors impact physician leaders

To RSVP for the event, or to learn more about the seminar, contact Shannon Heflin at sheflin@ache.org.
