Join HAP for a Complimentary Webinar Series on Transforming Your Healthcare Organizations Into Integrated Delivery Systems

The move toward value-based care is happening at an unprecedented rate and requires healthcare enterprises to build delivery models that focus on clinical and business outcomes, not on volume. During "Essential Operational Components for High-Performing Healthcare Enterprises: A Three-Part Webinar Series," kicking off on Tuesday, Oct. 16, from 11 a.m.-noon, HAP author Jon Burroughs, MD, FACHE, and other nationally respected experts will further explore this shift and the future of healthcare.

In this complimentary three-part webinar series based on the new book [Essential Operational Components for High-Performing Healthcare Enterprises](#), you will discover the building blocks necessary to engage, align and transform your healthcare organizations into integrated delivery systems—[learn more and register today](#).

### ACHE Wants Your Input on Its Current Strategic Plan

ACHE annually examines its strategic plan with a continuing focus on meeting the evolving needs of its membership and of the healthcare management field. The Board of Governors did not make any changes to the current plan at their meeting in June. If you would like to provide your feedback, please take a moment to review the draft [2019–2021 Strategic Plan](#) (PDF) and send us your thoughts, comments and any ideas for improvement. Please direct your email response to Sydney Edmond at [sedmond@ache.org](mailto:sedmond@ache.org). The deadline for comments is Oct. 12, 2018.

### Design a Highly Efficient Care Team

Facing a growing patient population, a projected physician shortage, increasingly long wait times and the transition to value-based reimbursement, healthcare providers must consider a more effective use of frontline clinical staff as a key to surviving and thriving in today's healthcare environment. On Oct. 10, join Bianca Belcher of the Center for Healthcare Leadership and Management and Michael Powe of the American Academy of Physician Assistants for "[Incorporating PAs and NPs Into Organizational Strategy for Maximum Impact](#)" to examine research and case studies to effectively use PAs and NPs to reduce wait times, improve patient access and for other patient-centered initiatives.

Register today and plan to watch the webinar with a group of your teammates for no additional cost. Attendees can earn a maximum of 1.5 ACHE Qualified Education credits and 1.5 *AMA PRA Category 1 Credit™*.

### Just Nine More Days: Join ACHE, AHA and Healthcare Leaders Across the Globe at the 42nd IHF World Hospital Congress

Experience a unique learning opportunity during the International Hospital Federation's 42nd World Hospital Congress, taking place Oct. 10–12 in Brisbane, Australia. With the theme "Innovate, Integrate and Inspire: How Can Healthcare Evolve to Meet 21st Century Demands?" this global forum draws influential national and international healthcare leaders and drivers of healthcare policy, financial trends, and solutions in healthcare management and service delivery. The theme promotes

examination of the effects of new technology, changing demographics and disease profiles, funding pressures, new models of care and more.

At the World Hospital Congress, IHF members have unparalleled opportunities to showcase their accomplishments to peers in the global healthcare community. ACHE and the American Hospital Association will co-present a session titled "Partnering and Leading in our Communities: Hospitals as Change Agents, Lessons from the USA."
