The Law of Healthcare Administration, Sixth Edition

J. Stuart Showalter, JD, MFS

The Law of Healthcare Administration, Sixth Edition offers a practical examination of healthcare law from the management perspective. It is a thorough treatment of healthcare law in the United States, written in plain language for ease of use.

WHAT’S NEW IN THIS EDITION

The sixth edition features:

- Updated case examples and citations throughout the textbook
- Discussions of recent legal developments in high-profile areas, including liability of managed care organizations; challenges to tax-exempt status; and developments related to privacy, especially the HITECH Act and identity theft “red flags”
- A new chapter that tracks the history of healthcare and the historical foundations of health law
- Updated references to The Joint Commission standards
- An expanded glossary with on-the-page definitions
